

**Ann Glazner**  
**Program Analysis Officer**  
**Gulf of Mexico Region**  
**Bureau of Ocean Energy Management,**  
**U.S. Department of the Interior**

Ann H. Glazner serves as Program Analysis Officer for the Bureau of Ocean Energy Management, Office of Leasing and Plans, assisting the Regional Supervisor in accomplishing various program responsibilities relating to the Leasing and Plans Program in the Outer Continental Shelf Gulf of Mexico Region. Ms. Glazner serves as advisor and expert in policy matters involving regulatory and administrative laws, regulations, and internal rules and polices relating to Federal offshore oil and gas and renewable energy.

Before being appointed as the Program Analysis Officer, she served as the Adjudication Section Supervisor, overseeing the processing of legal documents related to lease administration. Prior to being appointed as the Supervisor of the Adjudication Section, Ms. Glazner served as Program Analyst, in the Leasing Activities Section, planning OCS lease sales and preparing associated documents such as the Proposed and Final Notices of Sale. Additionally, Ms. Glazner served as a Land Law Examiner in the Adjudication Section, adjudicating the various legal documents filed in connection with lease administration.
