

## **PAMELA A. BIKUN**

**Pam Bikun** received her undergraduate degree in Political Science from Towson State University and obtained her Juris Doctorate from University of Baltimore.

Pam has over twenty-five years of experience in the energy and minerals industry. She started her land career in the minerals industry handling matters relating to coal and precious metals. Since 1991 she has worked in the oil and gas industry with assignments in acquisitions and divestitures for onshore and offshore properties and the Gulf of Mexico, both shelf and deepwater. Currently Pam is employed as a Staff Land Representative by Chevron. In her current assignment handles appraisal and major capital project activities in the Gulf of Mexico for the Deepwater Exploration and Projects Business Unit based in Houston.

Pam is a member of the American Association of Professional Landmen and several local landman associations. Pam participated on the drafting team for the Deepwater Model Form Production Handling Agreement.
