## Our Team

### Jodie Connor

#### President

Jodie has over 25 years of experience in the oil and gas industry with a concentration in environmental and regulatory compliance. Her areas of expertise include all regulatory permitting and compliance functions for Outer Continental Shelf (OCS) operators, oil spill response planning, training, and spill management team table top exercises.

Prior to forming J. Connor Consulting, Inc. in 1981, Jodie was employed by several independent oil and gas operators. Jodie has facilitated, trained, and participated in spill drills around the world including China, Italy, Greece, London, and Norway. She has been a guest speaker for many conferences and meetings including the Offshore Technology Conference, PetroSafe, Society of Petroleum Engineers, Texas A&M Sea Grant Program, and International Association of Drilling Contractors.

Jodie served as an Industry Representative on the Minerals Management Service (MMS) Oil Spill Response Plan Task Force Development and has received the MMS Corporate Leadership Award.
