

## **Ben Marchive - Biography**

Ben Marchive graduated from the University of Louisiana Lafayette in 2003 with a degree in Petroleum Land and Resource Management. From 2003 to October 2006 Ben worked as a Landman at Apache Corporation, working onshore in Louisiana and Texas. In October of 2006 to present Ben has been with Energy XXI where he started his offshore career but still worked onshore as well. In August of 2012 Ben was named Land Manager for Energy XXI and in May of 2014 was named Vice President of Land where he still serves in this capacity.
