

J. Keith Couvillion
CNAEP Land Advisor
Deepwater Exploration & Projects Business Unit – Gulf of Mexico
Chevron U. S. A. Inc.

J. Keith Couvillion is currently Chevron's North America Exploration and Production Company's Land Advisor for onshore and offshore activities in the United States and Canada. Mr. Couvillion originally joined Texaco after graduating from college and has worked either onshore or offshore for over 37 years in many capacities supporting Texaco's, and now Chevron's, exploration and production operations onshore and offshore in the Gulf of Mexico region.

Mr. Couvillion is active in many industry trade and professional associations supporting Outer Continental Shelf (OCS) activities. He is a past Chairman of the OCS Advisory Board and API Offshore Issues Subcommittee. Mr. Couvillion is a frequent presenter in industry and academic forums both domestically and internationally addressing various offshore issues. He also has published numerous articles on topics of interest to the offshore industry.

Mr. Couvillion graduated from Lamar University in 1978 and 1979 where he obtained both a Bachelors and Masters Degree in Business.
