

## **Renee Orr**

**Renee Orr** is Chief of Bureau of Ocean Energy Management's (BOEM) Office of Strategic Resources. She is a senior executive on the Bureau of Ocean Energy Management leadership team with more than 25 years of experience with the Department of the Interior. As the Chief of the Office of Strategic Resources, Ms. Orr oversees development and implementation of the Nation's offshore oil and gas and marine mineral leasing program. She oversees the assessment of the Nation's offshore oil and gas resources, ensures that the Nation receives fair market value for these valuable assets and leads the Bureau's efforts to improve how the financial risks associated with offshore lease activities are identified and mitigated. Ms. Orr was the Department of Interior lead during negotiation of the U.S.-Mexico Transboundary Agreement and now guides BOEM's implementation of the Agreement. She earned her Bachelor of Arts degrees in Economics and History from Metropolitan State College in Denver.
